Position Statement

Sale and Advertising of Cannabis for Non-Medical Use

Effective October 17, 2018, non-medical (recreational) cannabis will be regulated under the federal Cannabis Act and supporting regulations, as well as [The Safe and Responsibly Retailing of Cannabis Act](#) in Manitoba.

The College of Pharmacists of Manitoba is of the position that pharmacists and pharmacies in Manitoba shall not engage in the following:

- 1) Pharmacies shall not sell cannabis for non-medical (recreational) use.
- 2) Pharmacists and pharmacy technicians shall not promote cannabis for non-medical (recreational) use.
- 3) Information promoting the use of cannabis shall not be displayed or posted in a pharmacy, including the dispensary, professional products department, or areas where other health products are stored.
- 4) Cannabis shall not be sold or promoted in an establishment where goods or services are sold or offered for sale to the public if:
 - a. A pharmacy is located within the establishment, or
 - b. Customers of a pharmacy can enter into the establishment directly or by the use of a corridor or area used exclusively to connect the pharmacy with the establishment.

The College of Pharmacists of Manitoba has formally adopted the National Association of Pharmacy Regulatory Authorities' (NAPRA) [Cannabis for Medical and Non-Medical Purposes: NAPRA Position Statement on the Role of Pharmacy Practitioners](#).

Approved by Council on October 3, 2018

*College of Pharmacists of Manitoba Mission:
To protect the health and well being of the public by ensuring and
promoting safe, patient-centred and progressive pharmacy practice in collaboration with other health-care providers.*

Member of the National Association of Pharmacy Regulatory Authorities
