

COLLEGE OF PHARMACISTS OF MANITOBA (CPhM) INTERNATIONAL PHARMACY GRADUATE (IPG) INFORMATION SHEET

200 Tache Avenue, Winnipeg, MB R2H 1A7 | 204-233-1411 | info@cphm.ca | cphm.ca

PRE-LICENSING STEPS

1. ENROLL IN PHARMACISTS' GATEWAY CANADA

Pharmacists' Gateway Canada was developed by the National Association of Pharmacy Regulatory Authorities (NAPRA) in partnership with provincial and territorial pharmacy regulatory authorities. The Gateway is the starting point for IPGs to begin the application process and empowers IPGs to make informed decisions about licensing processes to practice pharmacy in Canada.

2. COMPLETE PEBC CERTIFICATION PROCESS

Pharmacy Examining Board of Canada (PEBC) is the national certification body for the profession of pharmacy in Canada. IPGs must complete PEBC's Document Evaluation, Pharmacist Evaluating Examinations, and Pharmacist Qualifying Examinations.

3. MEET LANGUAGE PROFICIENCY REQUIREMENTS

You must meet the minimum **language proficiency requirements in either English or French** as outlined by NAPRA. Evidence of your language proficiency must be dated within two years of applying for a licence to practice pharmacy in Manitoba.

STEPS FOR REGISTRATION AND LICENSING WITH CPhM

1. APPLY FOR REGISTRATION WITH THE COLLEGE

Carefully read through the steps outlined on CPhM's website before submitting your application. If your application is incomplete, the review and approval process will be delayed.

2. COMPLETE A 600-HOUR INTERNSHIP

Your application and chosen preceptor must be approved by CPhM before you begin your internship.

Your internship will provide opportunities to apply your education and competencies. Please see CPhM's Internship Manual and FAQ for more information:
