

## Return to Practice from Non-Practicing Status

The requirements to return to practice differ depending on how long you are away from practice with Non-Practicing status and whether you have maintained licensure in another Canadian jurisdiction. You may be initially placed on the Conditional Register of Pharmacists, depending on your current situation. Return to practice requirements are subject to change.

### More than 6 Years

Applicable to Non-Practicing Registered Pharmacist who have been away from practice for more than 6 years.

#### Step # 1: Application Form

Please login to your [Registrant Portal](#) and access the Conditional Register application form from your home page.

#### Step # 2: Complete the Requirements

##### 1. Pharmacy Examining Board of Canada (PEBC) Qualifying Exams

You must successfully complete the PEBC Qualifying Exam Part I (MCQ) and Part II (OSCE). Once the PEBC Qualifying Exams have been successfully completed, you can proceed with the next steps. Results are valid for 3 years.

##### 2. Record and Registry Checks

Apply for **NEW** Record and Registry Checks. Please visit the [Record and Registry Checks](#) page for more information on the following:

- Criminal Record Check with Vulnerable Sector Search
