

COLLEGE OF PHARMACISTS OF MANITOBA

It's your right to know!

The College of Pharmacists of Manitoba requires your pharmacist to discuss with you, in an atmosphere of confidentiality and privacy, the following information about your prescription medication:

- 1. The drug name**
- 2. What the drug does**
- 3. How and at what time the drug should be taken**
- 4. Importance of taking the drug as directed, regularly or when needed**
- 5. What to do if dose is missed**
- 6. Common side effects**
- 7. Food, drink, other drugs or activities to avoid**
- 8. Special storage requirements**
- 9. Refill information**
