Bonnie Schultz Memorial Award for Pharmacy Practice Excellence

The Bonnie Schultz Memorial Award for Pharmacy Practice Excellence is presented annually with the proviso that the Awards Committee may choose not to recommend an award if a worthy recipient has not been identified.

Any person may nominate a pharmacist or group of pharmacists for the award.

An individual will be entitled to receive an award on more than one occasion.

Criteria: The nominee shall demonstrate outstanding excellence in optimizing patient care.

Factors to be considered:

- Serve as a role model
- Compassion, empathy, and concern
- Mentorship, high practice standards and innovation
- Excellence in communication skills
- Demonstration of skilled practice

Patient Safety Award

The Patient Safety Award recognizes the achievement of an individual pharmacist, a group of pharmacists, an interdisciplinary group (that includes a pharmacist or pharmacists as key participants) or a pharmacy organization that has made a significant and lasting contribution to improving patient safety and health care quality through a specific initiative or project.

Criteria to be identified with the nomination should include:

- The pharmacist(s) involved are members of the College.
- The project or program has demonstrated a positive impact upon patient safety and involves some component of the practice of pharmacy.
- Innovation and patient-centred care projects will be given preference.
- The project or program could be preventative in nature, or may have occurred as a result of an adverse event or “near-miss”.
