

# Pharmacy Technician Regulatory Issues Survey

The College of Pharmacists of Manitoba's Pharmacy Technician Regulatory Issues Ad-Hoc Committee is seeking input from ALL pharmacy staff regarding issues and barriers related to pharmacy technician practices in Manitoba.

Scan to participate

Or visit: <https://www.surveymonkey.com/r/PharmTechRegulatoryIssues-Survey>

The committee aims to provide recommendations to Council to identify and minimize barriers, fostering an environment that promotes enhanced pharmacy technician practices and increased patient safety across the province.
